

TRAVEL GEEKS – RUSH HOUR

THE EVENT

Be inspired by fellow travellers at *Travel Geeks – Rush Hour* by National Geographic Traveller — a new series of regular events bringing together experts, writers and readers (and travellers) in an open forum to talk about what they like to do most: travel. Meet the team, talk to the experts, listen to their experiences and learn about where they want to go next. Top tips, advice, technical know-how, photo ideas... it's all up for discussion.
