WELCOME

National Geographic Traveller (UK) is proud to present the latest in its series of Collection, following the successful launch of the portfolio in 2014.

National Geographic Traveller — European Cities Collection is the first in the annual series, with the *Spa & Wellness*, *Africa* and *Luxury* collections following.

The publication is designed to meet the aspirations of its high-profile readers, highlighting bucket-list destinations and top travel experiences across Europe. There's also an A-Z travel directory showcasing the best places to stay in some of the continent's most captivating capitals and standout cities.

This beautiful coffee-table book is designed for a new generation of affluent travellers, as well as our loyal subscribers, whether they're looking to jet off on a short-haul European city break or take a once-in-a-lifetime trip around some of the continent's most inspiring destinations.

Collection is supported by its own microsite and an iOS app available from the App Store.

THE BRAND

National Geographic Traveller (UK) has successfully established itself as a major player in the consumer travel market. With over 25,000 subscribers (May 2017), and a 10-issue-a-year frequency, the magazine has further expanded the reach of the National Geographic Traveler (US) brand as one of the most widely read magazines in the world.

National Geographic Traveller (UK) continues the theme of storytelling with you-are-there photography to inspire readers, and provides insightful, easy-to-digest information to help them travel widely and safely. Part of the National Geographic stable, the brand has already reached over 20 countries.

THE CONTENT

Welcome: An introduction.

Up front: A look at the most exciting urban events and experiences from the worlds of art, music, food, culture and wellness. We also look at the urban trends shaping Europe's cities.

A-Z: Profiling the best inner-city hotels and experiences across the continent's cities. Destinations included should be incontestably cities and not towns, with an approximate population of 100,000 or more. Any ambiguity is subject to editorial approval.

Geographical summary: Regional breakdown.
